## CAMBRIDGE INTERNATIONAL EXAMINATIONS

**GCE Advanced Level** 

## MARK SCHEME for the May/June 2014 series

## 9706 ACCOUNTING

9706/43

Paper 4 (Problem Solving – Supplement), maximum raw mark 120

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began, which would have considered the acceptability of alternative answers.

Mark schemes should be read in conjunction with the question paper and the Principal Examiner Report for Teachers.

Cambridge will not enter into discussions about these mark schemes.

Cambridge is publishing the mark schemes for the May/June 2014 series for most IGCSE, GCE Advanced Level and Advanced Subsidiary Level components and some Ordinary Level components.

(e) Rezwan Limited pays 14% in excess of the net book value (1 of)

Goodwill is  $$280\ 000 - $245\ 450 = $34\ 550$  (1 of)

Goodwill is included in Rezwan's statement of financial position after acquisition (1)

Rezwan is paying a substantial amount in excess of the statement of financial position value of the land and buildings (1)

Rezwan Limited is paying for the reputation (1) location (1) future profits (1) customer base (1)

one mark per valid point - [Max 6]

(f) Under IAS 38 (Intangible assets), Rezwan should identify the useful life of the goodwill (1) acquired from Nimra. Rezwan must then amortise the goodwill on the straight line basis (1) over this useful life and charge the annual amount to its Income Statement (1). The amortisation period should be reviewed annually and changes made in the amortisation in line with this review (1).

Under IAS 36 (Impairment of assets) each year Rezwan should also compare the carrying value of the goodwill (i.e. its net book value after amortisation) (1) with its recoverable amount (its value in use) (1) and if the carrying value exceeds the recoverable amount show the impairment loss (1) as an additional expense in its income statement (1).
