CAMBRIDGE INTERNATIONAL EXAMINATIONS

Cambridge International Advanced Subsidiary and Advanced Level

www.PapaCambridge.com MARK SCHEME for the October/November 2014 series

9706 ACCOUNTING

9706/22 Paper 2 (Structured Questions – Core), maximum raw mark 90

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began, which would have considered the acceptability of alternative answers.

Mark schemes should be read in conjunction with the question paper and the Principal Examiner Report for Teachers.

Cambridge will not enter into discussions about these mark schemes.

Cambridge is publishing the mark schemes for the October/November 2014 series for most Cambridge IGCSE®, Cambridge International A and AS Level components and some Cambridge O Level components.

® IGCSE is the registered trademark of Cambridge International Examinations.

2 (a)

Bill and Charles Calculation of partnership profit for the year ended 31 December 2013

	φ
Decrease in current account balances:	(14840) (1cf)
Bill (\$17 000 – 2160)	(20800) (1cf)
Charles (\$18000 + 2800)	(35 640)
Add drawings (2 (24,000)	40 000 (4 ± 4)

Alternative answer – Profit for the year – 83640 (4)

If calculation includes capital accounts treat as alien and no own figure marks for profit for the year.

If only one partner is considered maximum of 2 marks (opening balance and drawings). Award 2 marks for drawings irrespective of direction.

[5]

(b)						
` ,		Bill	Charles		Bill	Charles
		\$	\$		\$	\$
	Goodwill	28 800 (1)	19200 (1)	Balance b/d	144 000	60 000 (1 both)
